Requirements for Daycare:

All vaccines must be up-to-date within a year and administered by a veterinarian. Vaccines include: Rabies, DPC (Distemper, Parvo, Corona), Bordetella (Every 6 months), Heartworm check, and Fecal check. All vaccination history must be brought by owner upon admission or faxed/dropped off prior to admission. *Initial:* _____

All pets are required to be on a flea and tick preventative. The Pet Resort recognizes Adv Multi/Nexgard/Comfortis. If your pet is not currently on a flea/tick prevention, a one month application will be applied on admission every month for an additional charge of \$25-\$35/mo. *Initial:* _____

If your pet is not picked up by 6pm Monday - Friday or 1pm on Saturday then you will be charged as follows: Regular daycare fee; Overnight boarding fee (based on weight); and bath fee (based on weight) as per hospital policy. First medication administered is \$5.00 per day. Each additional medication is \$2.00 per day. *Initial:* _____

Rough Housing:

There is inherent rough-housing play. All animals are watched for rough play and/or aggression, but fights may occur. It is possible (even supervised) for a puncture wound to happen during play session. In the event of a fight/injury we will attempt to contact you before providing any medical attention but will always provide emergency service as necessary if we are unable to contact you. You will be billed accordingly. Please be sure we have a **current** emergency number on file. *Initial:* _____
